

INTRODUCING HSMAI'S

FRANK W. BERKMAN CHAPTER AWARD PROGRAM

2004 "BEST OF THE BEST" WINNERS

HSMAI is very pleased to present the **2004 Best of the Best** in chapter operations and programming. Each category of recognition includes large and small chapter winners from the **2004 Frank W. Berkman Chapter Award Program**.

The 2004 program generated 65 entries from 18 chapters. Of the 18 chapters ten were in the large chapter group and eight were in the small chapter group. When the chapters are judged they are not designated as large or small.

The judging process for the 2004 program was a first! Entries were sent to chapters for judging by the chapter board! This new process allowed each entry to be judged by an average of 15 judges, more than any other competition. We extend our sincere thanks to all those dedicated chapter board members who took the time to judge entries from a specific category. No chapter judged its own entry.

Our gratitude and thanks to the following chapters for judging the 2004 Award Program:

Central Florida Chapter
Columbus Chapter
Georgia Chapter
Houston Space Coast Chapter
Hudson Valley Chapter
